# USB PROGRAMMING CABLE FOR MULTIPIN MOTOROLA RADIO PRO SERIES

## DESCRIPTION

Updating your Motorola radio with the latest software helps to improve its performance and reliability. So it's recommended that you update it regularly using a USB programming cable. This USB Programming Cable is specifically designed for updating Motorola radios with the latest software.

Simply attach the multi pin connector to your radio and plug the other end into your laptop or computer to update it with the latest drivers and performance improvements. If you need assistance finding the right software for your radio, please contact us and we will be happy to assist.
