G-SHAPE EARPIECE FOR 2 PIN RCA RADIO

DESCRIPTION

This G shape earpiece for 2 pin RCA radio is a low-cost solution for the two way radio user who wants private communication. This is a very comfortable rubberised RCA 2 pin earpiece and currently being used by Police forces & some other emergency services in the UK.

A coiled wire leaves the radio and goes to a large push to talk and microphone which is designed to perform well in the loudest atmospheres. The second wire goes from the microphone / PTT unit to a G-shaped earpiece.
